

NASPO ValuePoint (Formerly WSCA)

March 1, 2015

In a continued effort to provide exceptional service and support for your Sprint WSCA/NASPO ValuePoint account Sprint is announcing an expanded partnership with Manage Mobility.

Manage Mobility will be contacting you to highlight the additional levels of support available for your organization. Manage Mobility is working in tandem with your Sprint Sales Professional and Sprint's Customer Care department to provide added benefits including quoting, order support, and many other valuable services to help you manage your Sprint services.

Manage Mobility has created a website-- www.PublicSectorSupport.com --to provide you with additional information. Please visit the website for additional information or contact your Sprint or Manage Mobility partner.

Thank you for your business!
